Mr. Schuch,

Scott Contracting, Inc. is pleased to submit this letter of Interest regarding the US 287/SH 40 Passing Lane CM/GC project. Scott Contracting has proven experience in the construction of concrete highways throughout Colorado and is committed to providing CDOT with a quality project, delivered on time and within budget, while minimizing impacts to the traveling public. We are experts in and committed to key principles of the CM/GC process such as partnering, innovation, constructability reviews, competitive pricing and quality construction that ensures success to a project.

I will be our designated single contact for this project. You may direct all future correspondence to me at the locations below:
